APPLY FOR OPERATING MANAGEMENT POSITIONS

Dear Veteran,

Union Pacific Railroad has many opportunities for both retiring and separating veterans in “Operating Department Management Training (OMT)” positions throughout the Western two thirds of the United States. (Bachelors degree required.) We are a fortune 150 company in a growth mode making us a great place to start (and sustain) your new career. We operate in 23 states on 33,000 miles of track, move 2500 Trains each day, and employ over 50,000 personnel.

AMERICA’S TOP 25 MOST VETERAN-FRIENDLY COMPANIES.***

OMT Associates are our future corporate leaders and can follow career relocations, similar to those as veterans, in order to gain understanding of our vast commodity lines and geographical territory. OMT Associates are transportation and logistics professionals responsible for moving the world’s freight, repairing locomotives / freight cars, and maintaining track infrastructure. Hiring processes begin with on-line application, invitation to hiring sessions, and qualifying on our management exam and include a minimum of 2 interviews. Please consider applying today for an OMT position in the region you desire and position you feel qualified for. Additional hiring session information will be provided post application. Start at www.uprr.com/employment and select the orange box at top right labeled “The Operational Management Training Program.”

Hiring Session Location and Dates / 0730 start in all cases.
